RE: Confirm Monitoring Systems Safety Data Sheets

Scope	
Type:	Confirm Monitoring Systems
Model No(s):	C10BI25, C10SK, CRK02, NDB-601, NDB-601E, CSBI25, CBMS10, CCRUSH, CST060, CST120, CST480, CVT120 and CVT520.
Product description:	ConFirm™ Value Test Service Mail-in Sterilizer Indicators Monitoring Service provides 3rd party documentation of testing, test results and a tangible online record when proof of testing and subsequent results are required.

To whom it may concern,

Thank you for your interest in our Confirm Monitoring System.
As per 29 CFR 1910.1200, this product does not require a Safety Data Sheet (SDS).

Please feel free to contact us with any further questions you may have. We appreciate your business and look forward to serving you in the future.

Regards,

Jenny Cunniffe
Regulatory Affairs Specialist
